

Residential & Commercial Construction

New North Construction has the required resources to take any commercial/residential project from conception through to completion. We have access to a skilled workforce with outstanding work ethics. As we grow, New North Construction will add these resources to our payroll thus insuring a highly skilled team of employees that will provide our customers with the highest quality products and services.

New North Construction has strong partnerships with several sub-contractors right here in Dawson Creek. Pro-West Electric is our electrical contractor of choice. A family owned and operated business that will grow along with New North Construction. Pro-West Owner Ed Heaton has over 27 years experience in all electrical/instrumentation in Oilfield, Industrial, Commercial and Residential Projects. Ed and his son Brian are very proud to be associated with the New North Construction family of partnerships.

We have access to very skilled mechanical sub-contractors to handle all plumbing/gas and mechanical installations. Whether your requirements are large or small, New North Construction will always be ready to meet your needs. In fact, you will have access to our labour pool when your human resource needs fall short.
